

13th Annual Cipriano Classic June 7, 2024

Dear Cipriano Supporter,

The Cipriano family is so appreciative and grateful for the community's response, prayers and continued support of the 5K. Sal continues to struggle and the money raised helps with expenses and treatment not covered by insurance. This is a heartfelt update from Rose Cipriano:

Hello friends and family! As we look forward to the thirteenth annual Cipriano Classic, we want to once again thank all of you for your continued love and support.

While Sal still struggles with seizures and his feeding tube, he's working harder than ever to keep getting stronger and as always, he's not done yet! He looks forward to being back at the 5K this year and seeing all of your friendly faces along the course.

When not managing Sal's needs, Rose plays swims and plays tennis at the Farmington YMCA with her friends, s walking our beautiful (but sometimes stubborn) dog Hope every day and we are in the process of training a service dog to help attend to Sal's seizures.

Tanner is working as a Development Coordinator at OUR HOUSE Grief Support Center working on fundraising, marketing, and event planning, but his true passion continues to be painting, writing, and filmmaking.

Isabella will be going into her senior year at the University of Notre Dame where she is working as an athletic trainer for the football team, working as an RA for her dorm and singing in the university's basilica with the Magnificat Choir.

While we have been challenged with our share of adversity this past year, the Cipriano Classic is always a wonderful time for us to reconnect with all of you so we hope to see you all there and we appreciate your ongoing prayers and support in the meantime!

God bless and JKLP!
