

## 14<sup>th</sup> Annual Cipriano Classic June 6, 2025

Dear Cipriano Supporter,

The Cipriano family is so appreciative and grateful for the community's response, prayers and continued support of the 5K. Sal continues to struggle and the money raised helps with expenses and treatment not covered by insurance. This is a heartfelt update from Rose Cipriano:

*"Hello friends and family,*

*As we look forward to the fourteenth annual Cipriano Classic, we want to once again thank all of you for your continued love and support.*

*As many of you probably already know, Sal struggled with more health complications during 2024 when we discovered the shunts in his brain were not working properly, so he had to undergo four surgeries over the course of two months last summer. While he is still working to get back to full strength, he's already made incredible progress and he's excited to be back at the 5K this year to see all of your friendly faces along the course.*

*When not managing Sal's needs, Rose is still playing tennis and swimming as much as she can so she can't wait for this year's Cipriano Classic! She's walking our beautiful (and also sometimes stubborn) dog, Hope, every day.*

*Tanner continues pursuing work in entertainment and animation, and he also started displaying his paintings in art shows and performing stand up comedy.*

*Despite still being the baby of the family, Isabella is taking full advantage of her final year at University of Notre Dame, where she has been working as an athletic trainer and a dorm RA. We can't believe she'll be graduating this semester and we're thrilled for her to start her next chapter!*

*While we have been challenged with our share of adversity this past year along with many others around the world, the Cipriano Classic is always a wonderful time for us to reconnect with all of you so we hope to see you all there and we appreciate your ongoing prayers and support.*

*God bless and JKLP!"*
